

GUEST EDITORIAL

By COL. S. S. STOCKING

In spite of the dictates of expediency, the influences of organized communities almost contiguous to Campbell, and other incidents of the moment, the actual reasons motivating the growing desire to incorporate this area as a city are as fundamental as the reasons for enacting the law which makes it possible.

The writer was moved to pen these remarks by questions already raised by many citizens of the community, and discussion of the general subject by members of the fact-finding committee headed by Mr. Harmon. Many questions are anticipatory, in that they cover many points of the studies now being made. It should be pointed out that these questions will be intelligently and satisfactorily answered when the work of the sub-committees has been compiled, consolidated and evaluated. Therefore, it is not the intent of the writer to predict the findings of the committee, but to point out, as one layman to another, the advantages of incorporation as a sixth class city. In the writer's estimation, they are as follows:

1. Incorporation will provide home rule.
2. Incorporation will guarantee the full allocated dollar's worth of services will be spent in Campbell.
3. Incorporation will guarantee the preservation of Campbell's identity.
4. Incorporation will bring lower utility rates.
6. Incorporation will guarantee first class police protection.
7. Incorporation will guarantee first class fire protection.
8. Incorporation will make possible local zoning laws and a building code, with prompt inspections, all tailored to the requirements of this community.
9. Incorporation will make possible the abatement of factors detrimental to property values.
10. Incorporation will mean municipal control of the budget.
11. Incorporation will make possible the development of public recreational areas along municipal lines.

12. Incorporation will make possible a local health department to cooperate with the county health officer—and to operate as a complete service.
13. Adequate and qualified leadership is possessed in abundance by the men and women of Campbell.
14. Business dealership franchises now unobtainable because we lack city status will be immediately available when the city incorporates.

In other words, LOCAL CONTROL OF LOCAL AFFAIRS.

As to the question of taxes, let us bear in mind that an incorporated city operates as a non-profit body. A successful and popular government budgets its income to meet the needs of the city—always mindful of the necessity for operating with strict economy, but providing the very best in municipal services for the money available to spend. Of course, funds must be budgeted for works requiring long range planning, but this also is the mechanics of operating with rigid economy.

Exclusion of the incorporated area from the road district will bring about a partial revision of the county tax. You ask, how can the City of Campbell operate its services with the attendant overhead without taxing the citizens? Certain state monies will be allocated to the city which do not accrue to an unincorporated area.

Enumerating some of this revenue, it consists of returns according to population from the motor vehicle tax, gasoline tax, and liquor tax. To this is added the fines and fees collected by the police judge, building permits, etc. In most cases this revenue is ample without employing the one-dollar maximum (or any part of it) allowed by law within the prerogative of the city council. To levy a city property tax in excess of one dollar per \$100 of assessed valuation, a special election would be required.

The writer can only recommend that we all enthusiastically and actively support the campaign to incorporate the city of Campbell—that it may take its place among the thriving and beautiful municipalities in California that incite the envy and admiration of the rest of our nation.

NEW FIREHOUSE TO BE DEDICATED THIS SUNDAY IN PUBLIC CEREMONY

Justice of the Peace Martin S. Walsh will give the main address at public dedication ceremonies for Campbell's new firehouse on Central Avenue this Sunday at 2 p.m. Fire Chief Jack Scott has issued an invitation to all of Campbell to attend the dedication and inspect the new firehouse. Refreshments have been planned, and the fire department will award its television set.

Campbell Volunteer Fire Department, one of the oldest in the county, was formed late in 1912. All of its present 25 members serve without pay and on a 24-hour-on-call basis. Besides Chief Scott, other officers are Volney Garner, captain; Walter Silberbauer and Sam Rice, lieutenants; Henry Sanfilippo, secretary, and Jack Chappel, treasurer.

Fire commissioners are E. C. Merrill, E. E. Lanphear and Fred Jones Sr., all of whom will be present for the dedicatory rites. In addition, Scott has invited former Campbell Fire Chief Ed Jenesel, now fire chief at the Stockton Naval Depot, to take part in the day's events.

The firehouse, recently completed by W. J. Nicholson Co., contractor, houses two pumping units at present, and was designed by architects Kocher and Logue to provide room for increase of equipment when necessary.

Lions To Hold Charter Night

The newly-formed Campbell Lion's club announced at their meeting last Tuesday evening they would hold their charter night on Saturday, July 28, at the Mary Ann Gardens in San Jose. Members spent the evening planning for the event and holding an informal get-acquainted session.

Chairman Asks For More Workers On Incorporation Committees

L. W. Harmon, general chairman of the Committee for Campbell Incorporation, stated this week that more volunteers are still needed for the movement. "We especially need additional help to circulate petitions," Harmon stated, however, that petitions will probably not be circulated for two or three weeks since no action can be taken until the boundary committee completes its work.

To be valid, petitions must be signed by property owners whose holdings must total 25 percent of the assessed valuation of the total area proposed for incorporation.

COMMITTEE MEETINGS

The boundary committee met Tuesday night and covered preliminary work on establishing boundaries. The committee will hold another meeting this weekend at which time boundaries will be determined.

The finance and solicitation committee are investigating means of raising funds. The committee has not elected a chairman yet.

The law enforcement committee held no meeting this week because of the illness of chairman Jack Marsh. Marsh stated however, that he expects to hold a meeting before the end of the week.

The petition committee met Monday night and covered preliminary business.

L. W. Harmon announced that the results of the straw ballot to date are 830 yes, 145 no, and 7 undecided.

A. J. Emery, campaign coordinator, stated that the results of the movement have been most gratifying. "The interest and enthusiasm of our committees in forming the organization and accomplishing their work has been most gratifying. The encouragement from the people of Campbell and the surrounding area has added to this feeling. This enthusiasm will make it possible to bring our work to a successful completion. It is a pleasure to carry on with the work when you meet with this kind of interest and enthusiasm."

Emery was elected campaign coordinator at a general meeting of the committee last week.

WEST VALLEY HOSPITAL BOARD CALLS FOR \$750,000 BOND ELECTION ON SEPTEMBER 18

Resolution calling for a \$750,000 bond election on Tuesday, September 18, was adopted by the board of directors of West Valley Hospital District at its meeting Monday night in Los Gatos. Bonds would provide funds for construction of a hospital to serve the Campbell-Saratoga-Los Gatos area.

Directors pointed out that the \$750,000 is slightly higher than architect's estimate for the project, but this will provide a small contingency fund should construction costs have increased by the time the contractors' bids are called.

Herbert M. Shadle of Campbell, chairman of the board, said the issue probably would be 15-year bonds, on a three percent basis.

The resolution calls for a general hospital including lands, rights of way, administration facilities, grading, landscaping, outside fire protection system, heating, lighting water and sewer facilities, treatment and diagnostic facilities, surgical, medical, obstetrical, maternity, pediatric, X-ray, and laboratory equipment and facilities and other works and appliances necessary to operation of the hospital.

Bids will go out after the election. Polling places have been set up and will be announced later.

In another resolution, the board named Harry S. Whiteman, secretary, to the post of chairman of a committee to advertise the coming bond election. Whiteman, president of Los Gatos Kiwanis Club, recently headed the high school bond drive in that community.

Besides Shadle and White, other board members are Colonel Alton W. Howard of Campbell, Justice of the Peace Martin S. Walsh of Campbell, and Dr. Merlin T. R. Maynard of Los Gatos.

The hospital building, slated to be erected on a 10-acre site near Vasona Junction, will accommodate 50 beds but basic facilities will be adequate for expansion to a 100-bed capacity. Thus any future expansion could be accomplished at a minimum additional cost.

Exterior construction of the hospital is expected to be of cement block. The structure will cover 28,000 square feet of floor space on a single story basis. An estimated 68 per cent of the space will be used for basic hospital facilities with the remainder of the space being devoted to beds.

M. T. Bowe Is New Editor Of Press

M. T. Bowe has been employed by the Campbell Press in the capacity of editor it was announced this week. Prior to starting work at the Press, Bowe was employed as editor of the Oakdale Enterprise in the San Joaquin Valley. He also founded and published the Salida Times in the San Joaquin Valley.

Theodore L. Johnson, editor of the Campbell Press for more than two years, announced her resignation this week to take a position in Palo Alto.

Voters Register

All voters in the West Valley Hospital District are urged to check their registration. Those who plan to vote in the special hospital district bond election on September 18 must be registered by July 26, since voting regulations require that registration books be closed 54 days before the election.

New residents in the Campbell-Saratoga-Los Gatos area should register locally. Registrars in the Campbell area are Guy E. Farley, realtor, and Mrs. Ethan E. Lanphear, Campbell Hotel. Saratoga registrars can be placed with the Harless Moser Real Estate Agency or Mrs. Bert Bertelsen.

State Approves More Funds For Moreland School

The State Allocation Board has approved an additional \$2,317 to the Moreland School District for 1.03 more acres at the Bucknall Ave. and Paseo Presado site for the district's second school.

Plans for the new school call for two kindergarten rooms and six classrooms. Total cost of the project is estimated at \$209,275. Plans for the new school, to be called El Quito Park School, are being readied by architects Clark & Stromquist of Palo Alto.

The trustees are negotiating for the site of a third school for the district to house upper grades from the sixth through the eighth.

Construction is now progressing on the Moreland School on Payne Ave., and the old cafeteria and the 1894 building which provided four classrooms are being torn down.

Preserve Liberty Topic Of Speech To Kiwanis Club

"The Legacy of Liberty" was the topic of an address by Emerson "Doc" Arends in a speech before the Campbell Kiwanis Club last Tuesday noon. Arends, co-owner of the Campbell and Orchard City Lumber Companies, stressed the value of being constantly on guard against the encroachment of isms and stated that we must be vigilant in protecting our rights and liberties.

The luncheon meeting, held in the Campbell library building, was presided over by President Fred Jones, Sr.

A dinner for the members of the Kiwanis and Rotary clubs' baseball teams will be held next Wednesday. The dinner is the result of the game between the Kiwanis and the Rotary clubs recently, which provided that the losers pay for the winners' dinner. Members of the Kiwanis, losers of the contest, will pay for the dinner of the Rotary club team members. Any member of either club who did not participate in the game may attend the dinner by paying his own way.

MICHAEL KUNSMAN TAKES OVER CAMPBELL PRIVATE PATROL FROM R. J. LOCKE, FORMER OWNER

Michael Kunsman, former deputy sheriff in Santa Clara County, took over the Campbell Private Patrol Sunday night from its former operator, Robert J. Locke. Locke has operated the patrol, under contract with the Campbell Chamber of Commerce and its police committee, since August 26, 1949. Locke, in a statement to the Press, expressed his thanks to the merchants for their cooperation during his patrol service here. Prior to the Campbell patrol, he had worked for three years with the patrol operated by Chris Bronzich in the Cambrian and Los Gatos areas.

The Chamber of Commerce police committee announced that Kunsman will operate the patrol under the same terms as those for Locke, and that it expects to offer patrol service equal to that given by Locke. Contracts are being drawn up by the police committee and the formal signing is expected to take place early next week.

County Planners Set Dates For Rezoning Request

The County Planning Commission, in their meeting last Wednesday afternoon, set July 25 as the date of the first hearing on a request by A. F. Weeks for rezoning of certain property on Central Avenue north of Latimer to permit the construction of duplex dwellings.

Patrick H. Peabody, chairman of the Planning Commission, was reelected to that post for the third consecutive term. Carroll Wentz was elected to succeed Charles Kuhn as vice-chairman of the body. The commission also took action on the following other business:

Set August 2 as the date for the second hearing of an application by the Cambrian Builders to reclassify property located on the easterly side of Union Ave. between Branham Lane and Charmeran Ave. to a duplex zone.

In the absence of a representative of the Tilson and Sanfilippo firm, the commission continued the first hearing to August 8.

Heard a request by Walter E. Power to rezone for commercial use property located on the southeasterly corner of the San Jose-Los Gatos Road and Camden Ave. Rev. Elmer Frayer requested a permit for a church on Blackford and Boynton.

Peter and George Sorich requested rezoning of the northwesterly corner of Winchester and Stevens Creek Road for commercial use.

A. L. Duncan and others asked for a rezoning of property located on Harriet, Phillips, and Lovell to permit unlimited small livestock farming. The area now permits limited small livestock farming.

ROTARY MEMBERS HEAR TALK ON THE STOCK EXCHANGE

Members of the Campbell Rotary Club heard Fred Beuchner, of the firm of Walston, Hoffman and Goodwin, tell of the inside workings of the stock market in a speech before the club last Monday noon. Beuchner remarked on the origin of the New York Stock Exchange telling his audience that the exchange started under a tree in New York City as nothing more than an auction. "Now it is a market balanced between the buyer and the seller."

Beuchner continued, telling the group about the complicated workings of the market today. "As an example," he said, "the floor of the New York Stock Exchange is underlined with 35 miles of pneumatic tubing which carry instructions and orders. The stock market today is a very fast operation. A person in Campbell could put through an order to the New York market and receive a confirmation of that order within three minutes."

As an added note to the present inflationary period, Beuchner said that his firm expects the Dow Jones average to double its present figure in the future.

The meeting was presided over by the new president, Homer Hyde.

man will operate the patrol under the same terms as those for Locke, and that it expects to offer patrol service equal to that given by Locke. Contracts are being drawn up by the police committee and the formal signing is expected to take place early next week.

Kunsman will use the same night phone service, CV 5-1616. He has bought Locke's equipment and car. Kunsman runs private patrols in the San Jose and East San Jose districts, and will operate the Campbell patrol himself. In addition to the patrols, he operates the Kunsman Detective Agency, licensed by the state, which he opened in San Jose in 1945.

Kunsman, a San Jose resident, worked in Campbell for two years following opening of the Drew Cannery in 1934, where he was employed as foreman of the preparation department.

From 1937 to 1939 he was in the private patrol business in the Burbank district, and, at the same time, was transportation deputy for former sheriff William J. Emig. Prior to opening his present detective agency Kunsman was for 12 years in the roofing and painting business in San Jose.

Campbell Grange Holds Meeting Tuesday Night

The Orchard City Grange held their meeting in the IOOF Hall in Campbell Tuesday, July 10, with Master George Shattuck presiding. Among the dignitaries from nearby granges who were honored at the meeting were Mrs. Veryl Thornton, master of Live Oak Grange; Frank Bishop, master of Mt. Hamilton Grange; and Mrs. Effie Spencer, master of Almaden Grange. Two new applications for membership were also received.

Judge Martin S. Walsh gave a report on public affairs of general interest.

Lois Wileman played several solos on the marimba accompanied by Mrs. Virginia Rutherford. Included in the numbers were "Indian Love Call," "The Green Cathedral," and "Somewhere a Voice Is Calling."

The refreshment committee consisted of Mrs. Lucille Hoerler, Mrs. Leone Keesling, Mr. and Mrs. Robert Lear, Mrs. Jessie Shelly, R. B. Hummel, and Mrs. Willie Windrum.

Among the coming events discussed at the meeting were the meeting of the Pomona Grange on the first Saturday in August and the July 15 Cupertino Grange picnic at Sycamore Park to which members of the Orchard City Grange have been invited. On August 17 and 18, the Grange will hold a rummage sale; and on August 25 they will hold a food sale.

RUSSEL NEAL KENNEDY CLAIMS LOUELLA RICE AS HIS BRIDE IN FORMAL NUPTIAL CEREMONY

Several hundred friends were present Sunday, July 1, at the First Methodist Church when Russel Neal Kennedy, son of Mr. and Mrs. E. R. Kennedy of Campbell, bestowed his name on Miss Louella Rice in formal wedding rites.

Presiding over the vow exchange was the Rev. Thomas K. Farley, cousin of the benedict.

White tapers in tall candelabra were placed on either side of the altar. White drapes covered the wall behind the pulpit, and arrangements of white daisies and baby's breath banked the altar. Pews were marked with clusters of daisies and greenery.

Mrs. Earl Buck sang "Because" and "The Lord's Prayer." Organist was Mrs. E. W. Harrington of Sunnyvale, who played soft music throughout the ceremony.

Nancy Rice and Diane Nelson, dressed in identical frocks of pastel yellow embroidered batiste and wearing yellow ruffled caps, lighted the candles before the ceremony. Elizabeth Rice, another sister of the bride, acted as flower girl. She wore a white organdy dress and a matching horsehair hat.

Preceding the bride down the aisle were three bridesmaids and a maid of honor. Bridesmaids were the Misses Mary Lou Cline, Pauline Cleveland and Joline Howard, all classmates of the bride at the Campbell Union High school. They wore pastel gowns of shadow print organdy made with fitted bodices, pelerin collars and full skirts. Large horsehair hats matching their dresses and French bouquets with ribbons and frill in the same color as their frocks completed their costumes. Miss Marilyn Rice, younger sister of the bride, was her maid of honor. She was dressed in a pale yellow gown identical to those worn by the junior attendants.

Miss Rice, who was given in marriage by her father, Mr. Herman Y. Rice, chose a satin gown fashioned with fitted bodice and full skirt which lengthened into a train. A deep lace yoke highlighted the bodice of the dress and alternate panels of lace and satin formed the skirt. Her fingertip veil fell from a coronet of orange blossoms. She carried a white Bible and a bouquet of bouvardia centered with a white orchid. Ribbon lace streamers fell from the bouquet.

Attending the bridegroom were Francis Livinghouse of San Jose as best man and Richard Rice, brother of the bride, Richard Stephens and Thomas Nicholls. The benedict and his attendants were attired in dark trousers with white jackets.

For her daughter's wedding, Mrs. Rice chose a navy serge suit with which she wore a wide horsehair hat in the same color and matching accessories. Her corsage was of white carnations. Mrs. Kennedy, mother of the benedict, wore a dusk rose afternoon dress with a black velvet hat and black accessories. A corsage of gardenias was pinned to her shoulder.

Friends congratulated the newlyweds in the church parlors following the reception. The first slice of the tiered wedding cake was cut with a carved antique knife used for many years in weddings of the Devine family, relatives of the bridegroom. Hand-crocheted lace cloths covered the tables. Assisting with the serving of cake and punch were Mesdames Franklin Blaine, Herbert Binley, L. Ben Howard, L. B. Everitt, Rudy Golden, Hubert Ames and Harry Quirke. Miss Gilda Mazzanti was in charge of the guest book. Mrs. William Lloyd, assisted by Mrs. Ralph Hyde, decorated the parlors, and Mrs. Charles Short was in charge of the church decorations.

When the newly-married couple left for a honeymoon along the California coast, the bride wore a suit of soft blue and white Irish linen with a small hat of pastel rose, trimmed with feather wings. Her accessories were white.

Following their honeymoon trip, the justweds will make their home in Willows, where a new home is being completed for them on the ranch of the senior Mr. Kennedy. The bride received her diploma from Campbell Union High school last month. She attended music courses in the organ given last summer at the College of the Pa-

Louise Fairchild Heads Legion Auxiliary Unit

Irene Newman, district president from Los Altos, installed new officers of American Legion Auxiliary Unit 596 of Campbell at ceremonies held June 27 in the IOOF Hall.

Louise Fairchild assumed the post of president; Aline Strickland, first vice-president; Florence Myring, second vice-president; Florence Freude, secretary; Ruth O'Brien, treasurer; Pat Burch, chaplain; Edith Morley, historian; Marie Testa, marshal; Johnnie McFall, sergeant-at-arms; Jesse Olson, musician.

Committeewomen are Henrietta Smith, Anna Hedegard, and Clara Fagalde.

Ida Kaber turned over the gavel to the new president and took office as junior past president.

Entertainment was provided by two high school girls who did the Charleston. Another student played two violin selections.

Visitors were from Memory Post, 666 Wallace, Sunnyvale, Los Altos, Palo Alto, Willow Glen and Los Gatos.

Refreshments were served in the hall at tables decorated with red, white and blue flowers.

Gary E. Halls Now At Home In Campbell

Now established in their home at 16 Hamilton Avenue, Campbell, are Mr. and Mrs. Gary Edmund Hall, who were married recently in St. Andrews Episcopal Church, Ben Lomond. The Rev. John David Lee was the officiant at the double ring ceremony.

The former Anne Laura Spencer wore a white ballerina length gown of broadened organdy and a white Juliet cap. Her bouquet was of red roses and lilies of the valley.

Maid of honor was Miss Rosemary Trinidad of Newark who wore a light blue organdy dress of ballerina length, with white lace hat. She carried a bouquet of yellow roses.

Robert Nelson attended the bridegroom. William Rasmussen of Palo Alto escorted the guests. Mr. Thomas D. Spencer of Big Basin gave his daughter in marriage.

Mrs. Spencer wore a tailored gold dress with black accessories, and the bridegroom's mother, Mrs. Mills Hall of Gilroy, was attired in a green and white silk print with green accessories. Both wore orchid corsages.

RECEPTION

The wedding reception was held at the Brookdale Woman's Club where the couple cut a four-tiered wedding cake. Double ruffled petunias decorated the hall.

The couple honeymooned in Carmel.

The new Mrs. Hall attended San Jose State College and is employed by a San Jose lumber company. Her husband received his diploma from Gilroy High school and San Jose State college, and is employed in San Jose.

Richard C. Stephens, La Verne Siebert Wed In Lutheran Church Ceremony

Richard Clark Stephens, younger son of Mr. and Mrs. Fred H. Stephens of Campbell, claimed Miss La Verne Adelle Siebert as his bride at a 2 p.m. wedding ceremony on Sunday, July 8, in Trinity Lutheran Church, San Jose. The Rev. William H. Schroeder read the wedding service. White gladioli, white stock and white tapers decorated the church.

Mr. George Seibert of Fresno gave his daughter in marriage. She wore a cream white suit with pink feather hat, and carried a white prayer book with pink carnations and white stephanotis.

Maid of honor Miss Agnes Stockle of Fresno was attired in a lilac suit with matching hat. Her corsage was of lilac baby orchids.

Rex Jeffers of Campbell was the best man. Nuptial music preceding the ceremony was played by Mrs. Edith Van Rossem, organist. Mr. Peter Horne of Los Gatos sang "O, Promise Me" and "The Lord's Prayer."

A wedding dinner was served to the wedding party and the immediate families at Hotel Ste. Claire, San Jose. An arrangement of pink and white carnations centered the table, and there was a three-tiered pink and white wedding cake.

After a honeymoon in Carmel and at Lake Tahoe, the newlyweds will reside at 302 Bel Estes Drive, Los Gatos.

The bride is the only daughter of Mr. and Mrs. George Seibert of Fresno, and the sister of Don Seibert, also of Fresno. She was on the teaching staff of Linda Vista school last year, and will teach at Union Elementary School next term.

CAMPBELL REGISTER

After nine and a half months of traveling, MR. AND MRS. D. H. CRAMER have returned to Campbell for what their many friends will say is altogether too brief a stay, for they plan to leave again about the first of December to winter in Florida and spend the 1952 summer in Ohio. The Cramers left Campbell at the end of last August, journeying through the midwest where they visited friends, then up into Canada and along the St. Lawrence to Quebec, northernmost point on their itinerary. From Quebec they turned south again, returning to the United States through the New England states and visiting the larger cities along the coast, New York, Boston, and Washington, D.C.

The Campbell couple spent a while in Ohio visiting Mr. Cramer's relatives, and were with their daughter, Mrs. Barbet Rose, in Louisville, Kentucky, for Thanksgiving. They spent four and a half months at Lakeland, Florida, just 30 miles from Tampa, and flew along the gulf coast, visiting New Orleans and way places, then entered Mexico at Brownsville, Texas.

They visited Charcas, a mining town, then left their car at San Luis Potosi, flying from there to Mexico City. After a pleasant stopover, they flew on to Guatemala and spent eight days with MR. AND MRS. PAUL BECKER at Guatemala City. The southernmost point of their trip was Fort San Jose, Guatemala. Mr. and Mrs. Cramer came back through El Paso, Texas, then home by way of San Diego and Los Angeles. They spent their first week home with their son, DR. HAROLD CRAMER, in Los Altos where he has bought a five-acre hilltop and orchard homestead.

Dr. Cramer, who has been taking studies at the Fort Miles Veterans Hospital in San Francisco for the past two years, is now practicing in Los Altos with a Dr. Meyer. He was for many years connected with the University of Idaho at Moscow, Idaho, as resident physician.

Mr. and Mrs. Cramer are staying in Campbell now in the home of MR. AND MRS. HENRY MILLER on the San Jose-Los Gatos Road. The Millers are in San Diego where Mr. Miller has been transferred by his business concern. The Cramers, who say they have caught the wanderlust, enjoyed a wonderful trip unmarked by serious trouble. While they would like to repeat the entire journey, they do expect to go back up the east coast from Washington, D.C., through New York and into northern New York. They have rented their home here on Winchester Road and, when they return from their next trip about this time next summer, they will rent a smaller house.

MR. AND MRS. NELSON COWDERY of N. Second Street entertained friends from Ohio as their houseguests last week. The visitors, who spent three days with the Cowderys, were Miss Clara Louise Mines of Portland, Ohio; Miss Florence Wells and Miss Eileen Anthony of Hartford, Ohio, and Miss Susan Hoysack of Warren, Ohio. Last Saturday they were taken on a tour of San Francisco by Mrs. Doris Brainerd and Miss Alleen Cowdery.

Bride Of Brian B. Wright To Teach In Local Grammar School This Fall

Mr. and Mrs. Brian B. Wright (Patricia C. Kern) have established their home temporarily in San Jose following their wedding on Saturday, July 7, at St. Francis Church of Rome in Riverbank. Mrs. Wright, who has been on the teaching staff of Patterson high school, will teach seventh and eighth grades home economics at Campbell Elementary School this fall. Mr. and Mrs. Wright are currently seeking a home in Campbell.

The Rev. Fred Cook read the wedding service for the 11 a.m. rites in Riverbank. The bride, who was given in marriage by her father, Mr. William R. Kern of Oakdale, chose a ballerina length wedding dress of white lace over satin, styled with full satin skirt and full lace peplum with lace bodice. The latter was accented by a pelerin collar and row of white satin buttons down the front. She also wore satin mitts and carried a carnation bouquet with orchid center and bouvardia streamers.

Mrs. Delbert Brooks of Oakdale, the matron of honor, was attired in pink lace ballerina length dress, matching pink hat with accents of tea roses, and she carried an old-fashioned pink and blue bouquet.

WEDDING LUNCHEON

Fifty friends and members of the families attended a wedding luncheon at Hotel Covell in Modesto. Ice pink gladioli were used in the table decor. The couple cut a three-tiered wedding cake.

When the new Mr. and Mrs. Wright left for their wedding trip to Lake Tahoe, the bride was wearing a green knit dress with black and white accessories and white orchid corsage.

Mrs. Wright attended Modesto Junior College and San Jose State College, and was affiliated with Delta Nu Theta, honorary home economics society at San Jose State, Alpha Gamma Sigma, Iota Epsilon and the YLL. Her brother and sister reside in Oakdale.

Mr. Wright, son of Mr. and Mrs. W. H. Wright of Bakersfield, attended Bakersfield Junior College, and San Jose State College, where he was a member of Phi Delta Pi, honorary chemistry society; Delta Sigma Phi, social fraternity. He is now a chemist with a San Jose concern.

MR. AND MRS. W. L. CLEVELAND and MISS PAULINE CLEVELAND returned Saturday from a week's vacation in Yosemite National Park.

Reliability Test Drivers Hold Picnic In Saratoga

Saratoga's Wildwood Park was the windup point for Santa Clara County's first reliability test for auto drivers Sunday noon. The new safety race was sponsored by the newly formed Peninsula Car Club, whose membership consists of peninsula people who own cars of foreign make, principally British. The reliability test emphasized rules of safety and obedience of traffic laws.

Thirty-six drivers participated in the reliability test which began in front of McCoy's British car showroom in Campbell at 9:30 a. m. Cars were flagged off in turn at intervals of from two to five minutes. At the starting line each entry was given a sealed envelope containing the route of approximately 30 miles which he was to follow. Contestants had a picnic at Wildwood Park after the race.

Spotter drivers on the route checked drivers on observance of all laws and regulations. All points watched by spotters had exact times for the various drivers to arrive, depending on when they left the starting line. The driver with the least number of checks against him and who arrived closest to his scheduled time was named the winner.

Walter Mullenhour of Sunnyvale, driving a Hillman Minx, won the reliability race. The route led from Campbell down Union Avenue to San Jose-Los Gatos Road, through Los Gatos and down the Santa Cruz Highway to the Black Road turnoff to Skyline Boulevard, up the Skyline to Saratoga.

Others who placed in the test judging were: Arnold Krimont of Redwood City, driving a Riley convertible; Betty Schmidt of San Mateo, driving a Hillman Minx; and, consolation prize winner, Dewey Berner of Mountain View driving a 1931 Rolls Royce roadster.

According to spokesmen for the club, the reliability test has been an event in England for the last 70 years.

Santa Clara County Green Cross endorsed the race since it emphasized rules of safety and obedience of traffic laws.

Executive committee in charge of the test consisted of Joseph Trethewey, Richard Jones and W. H. Mander of Los Gatos, assisted by Tip Blume of San Jose, Clifford McCoy of Campbell, Arnold Krimont of Los Gatos, and Stan Burberick of San Carlos, all British motor car dealers.

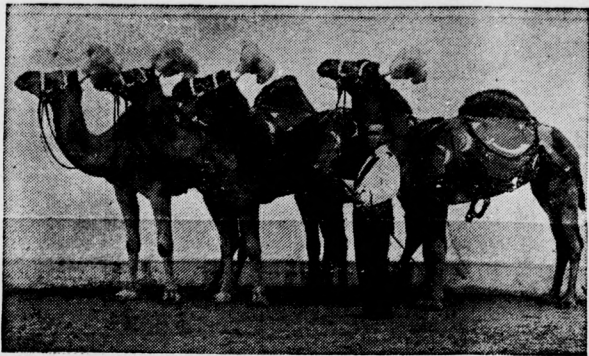

Peninsula Car Club officers are Robert Peterson of Mountain View, president; Mrs. Fred Scherer of San Carlos, Dewey E. Berner, Mountain View, vice-president; Mrs. Fred Scherer of San Carlos, secretary, and Lowell Smith, treasurer.

ENTRANTS

Drivers for the test were: Carleton Smith, Cupertino; Elizabeth Ann Pierce, Saratoga; Jill Cunningham, John Ridgely, Del McCoy, Leahmae Carter and C. N. McCoy, all of Campbell; Kenneth Lawler, Palo Alto; Lowell Smith, San Jose.

Fred Scherer, San Carlos; Ken Moore, San Jose; Earl Montgomery, Los Gatos; Betty Schmidt, San Mateo; Otto Schmidt, San Mateo; Bill Bland, San Jose; Shirley Ivey, San Jose; Paula Krimont, Redwood City; Sally Bowle, Palo Alto; R. F. Peterson, Mountain View; Forrest Edwards, San Jose; Roy Krimont, Redwood City; Donald Lewison, San Mateo; Austin Ham, San Jose; Ken Boyle, Mountain View; Frank LaFetra, Palo Alto; Walter Mullenhour, Sunnyvale; Buzz Hodges, Belmont; Robert Black, Atherton; Woody Goodman, Los Gatos; A. Bozo Stojanovich Pioneer Rancher Called By Death

Bozo J. Stojanovich, 71, one of this area's leading fruit ranchers, died at O'Connor Hospital Thursday, July 5, after an illness of 18 days. Stojanovich, 71, had been a rancher in Campbell for almost 50 years, having purchased his ranch property at 241 S. Union Avenue in 1912.

He was a native of Dalmatia, Yugoslavia, and a member of the American-Dalmatian Benevolent Society of San Jose and the Slavico-American Benevolent Society of Watsonville.

Stojanovich first arrived in this country at New York in 1899. He settled in Watsonville in 1900, then came to the Santa Clara valley in 1901, living in various places until he bought the Union Avenue ranch in 1912. The following year he was married.

Funeral services were held on Monday, July 9, in Santa Clara, followed by requiem high mass at St. Lucy's Church, Campbell. Entombment was at Santa Clara Catholic Cemetery.

Stojanovich is survived by his widow, Nika Stojanovich; sons Edward M. Stojanovich of Campbell and John Stojanovich of Menlo Park; brothers and sisters, Chester Stojanovich of Campbell, Steve Stojanovich of Redwood City; Mrs. Kate Marlais of Campbell and Mrs. Mary Skravo of Yugoslavia, and grandchildren, Franya and Susan Stojanovich.

'Victory Life' Pastor's Topic At Baptist Church

"The Victory Life" has been chosen as the topic for the Morning Worship Service in the Campbell Baptist Church, 115 Sunnyside Avenue, as announced by the pastor, the Rev. Lyle E. Cushman. Special music will be provided by the choir.

In the evening Evangelistic service at 7:30 p. m. the pastor will speak on the topic, "The Spirit of Anti-Christ!" Singing, Bible exposition and testimony mark the evening hour. The public is invited to all services of the church.

Sunday Bible School meets at 9:45 a. m. with classes for all ages. Two adult Bible classes are provided for the parents of the children.

Wednesday Bible exposition and prayer hour begins at 7:30 p. m.

Funeral services were held Tuesday, July 10, at the Oakland Mausoleum.

FORMER RESIDENT DIES IN PALO ALTO

Charles J. Ludwig, once owner of a fruit ranch on Union Avenue, died Friday, July 6, in Palo Alto hospital following a sudden illness. Ludwig, 78, became ill while visiting friends in Oakland. He and his wife, who made their home in Modesto, had been visiting their son and daughter-in-law, Mr. and Mrs. William A. Ludwig at the Los Altos Auto Court, 4455 El Camino Real. Ludwig was a native of Burlington, Iowa.

Mr. and Mrs. Ludwig moved from their Union Avenue ranch about 35 years ago. For a while they farmed in Utah, then moved to the Hawaiian Islands. Several years later they returned to the United States and operated a grocery store in Berkeley. After that, Mr. Ludwig operated a motel in North Sacramento in partnership with his son, then went to Modesto where he and his wife operated an auto camp. Later, they sold the business and built a motel in Montecito near Santa Barbara. During recent years the Ludwigs have resided in Modesto, and Mr. Ludwig was in partnership with his son in operation of the Los Altos auto court.

Funeral services were held Tuesday, July 10, at the Oakland Mausoleum.

SURVIVORS

Mr. Ludwig leaves his widow, Nan J. Ludwig; son, William A. Ludwig of Los Altos; grandchildren, William T. Ludwig of Tarzana, and Mrs. John Flaherty of North Hollywood, and great-grandchildren, Michale Flaherty and John Flaherty of North Hollywood and Christine Susan Ludwig of Tarzana.

The son, William A. Ludwig, graduated from Campbell high school.

Antonio M. Avila Services Held

Antonio M. Avila, 61, University of Santa Clara maintenance man for 32 years, died Thursday, July 5, at his home in Santa Clara following a long illness. He was the step-father of Mrs. Tay Spadafore of Campbell.

A native of Teixeira, Azores Islands, he came to this country in 1919 from Marin County where he had been a dairyman and, as such, was first employed by the university. He was a member of the SES Supreme Council No. 1 of Santa Clara and UPEC No. 8 of Santa Clara.

Avila leaves his widow, Rose; son, Anthony P. Avila; stepchildren Mrs. Kay Spadafore of Campbell, Alvin and John Pimentel and Mrs. Manuel Dias, all of Santa Clara; Mrs. Eva Frontell, Mrs. Lee Wren and Frank Pimentel, all of San Jose; Manuel Pimentel of Gilroy, Mrs. Lawrence Frontella of Mountain View and Louise Pimentel of Pleasanton; sisters, Mrs. Mary Teixeira of Los Angeles and Miss Constance Avila of Massachusetts; brothers, Thomas Avila of Fairfield and Joseph M. Avila of Dixon, and a grandson, Ronald Avila.

Funeral services were held Saturday, July 7 in Santa Clara. Requiem mass was recited at St. Clare's Church. Interment was at Santa Clara Catholic Cemetery.

CHRISTIAN SCIENCE LESSON-SERMON

"There is none holy as the Lord: for there is none beside thee: neither is there any rock like our God." This verse from I Samuel will be the Golden Text for the Lesson-Sermon to be read in all Christian Science churches next Sunday, July 15.

The sermon on the subject "God" will be comprised of other citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, from which the following have been chosen:

I Corinthians 3:9, 10: "For we are labourers together with God: ye are God's husbandry, ye are God's building. According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon."

Science and Health: "We should consecrate existence, not to the unknown God whom we ignorantly worship," but to the eternal builder, the everlasting Father, to the Life which mortal sense cannot impair nor mortal belief destroy" (p. 428).

The wide diversity of California's agricultural products will be displayed in the exhibits of more than 35 counties at the California State Fair, August 30 through September 9.

Reception Honors Rev. Kennelly On 25th Anniversary In Priesthood

The Rev. Denis Kennelly, pastor of St. Lucy's Catholic Church of Campbell, was honored at a reception given by the parishioners Sunday afternoon at Villa Felice in celebration of his 25th anniversary in the priesthood.

Arrangements for the occasion were handled by three of the parish organizations, St. Lucy's Women's Club, St. Lucy's Evening Guild and St. Lucy's Men's Club.

Mrs. J. F. Levenberg was the chairman, assisted by Mrs. Joseph Anello and Mr. H. A. Weitzel. The latter also served as toastmaster.

Rev. Kennelly was presented with a gift and a parchment

scroll signed by members of the parish. He also received a gift from the clubs.

Distinguished guests included the Rev. Leo Kristance, assistant pastor at St. Lucy's and the Rev. Thomas Collins of Danville.

Rev. Collins and Rev. Kennelly

were classmates in Ireland during their studies for the priesthood, and were ordained in Ireland at the same time. Rev. Collins also celebrated his silver jubilee in the priesthood in June of this year.

Mr. J. F. (Bud) Levenberg had charge of entertainment for the afternoon. The program consisted of accordion solos by Mario Serchia of Campbell; and vocal selections by David Hayden of San Jose. Hayden sang a group of Irish numbers and was accompanied at

the piano by his mother, Mrs. Ralph Hayden. Young David was a recent winner on a San Francisco television show.

RAY KING KUYKENDALL, 17,

son of Mr. and Mrs. Roly Kuykendall, of 364 Harrison Street, Campbell, has been accepted for enlistment in the U. S. Navy, and transferred to San Diego for recruit training. Ray attended Campbell Union High School prior to his enlistment.

INSTALLS MACHINE FOR MOTHPROOFING

A special machine to mothproof clothing and, at the same time, restore the original luster and color of the garment, has been installed at Monty's Cleaners, 54 S. Winchester Avenue.

The machine is the Martin, produced by Martin Equipment Corporation in Buffalo, New York, and handled on this coast by its office in Berkeley. Martinizing offers more than dry cleaning, and equipment is completely automatic. The operator only loads and unloads garments when they are dry.

Lula H. Ethridge Funeral Services

Lula Hendrix Ethridge of 128 Sunnyside avenue, Campbell, died in a San Jose Hospital, Tuesday, July 10, at the age of 60 years. The widow of the late Albert N. Ethridge, she was an active member of Calvary Temple Church of Campbell. She was a native of Pineville, Mo.

Mrs. Ethridge was the mother of Mrs. Lorene Womack of Campbell and Mrs. La Verna Shepard of Albany. She leaves two grandchildren, Jerry and Parker; a sister and a brother in Missouri.

Services will be held today, Friday, July 13, at 2 p.m. from the Krug Memorial Chapel, 151 E. Campbell avenue. Interment will be at Santa Clara City Cemetery.

Dellmar B. Callaway, Box 151, Church Point, Louisiana, may make the best football center in the country, but he'll bet his pocketbook that he isn't a boy his age who has got the energy he has. Yes, Dellmar now feels great! ... and he says he has HADACOL, to thank because his mother read how HADACOL was helping boys and girls suffering from deficiencies of Vitamins B1, B2, Nicotin and Iron and decided to give it to him. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size \$1.25, or the large family or economy size, \$3.50, and if HADACOL doesn't help you, you will get your money back.

First half play in the local softball leagues is all wound up and the boys start with a clean slate next week. From all indications VFW and Calado are going to be the teams to beat in the next half of the Class B league. The teams finished in a dead heat with a five and one record. Campbell Hardware will be right in with the leading teams also if their hitting does not fold up.

CUPERTINO LOOKS GOOD

In the Junior league, Cupertino, winner of the first half crown with a perfect record, is the team to beat once again. The pitching of Lefty Martinez has been exceptional thus far this season and his team mates have been getting him lots of support at the plate.

Campbell Hardware, who got second best in the junior league with only a loss to Cupertino to mar their record, should be right up near the top again. The dark horse of the second round is ever-improving Los Gatos Kiwanis club. The team has been playing good ball in the past few games and has improved a good deal from the start.

Pitcher Jim Boggs is a capable hurler and with more support at the plate and in the infield, the little righthander could set down any team in the league. Against Cupertino Youth center in first half play, Boggs struck out nine batters in four innings. A pretty good feat against the heavy hitting league leaders. Boggs faced the Cupertino nine again last night in the Junior league playoff finals.

HOMERS DO IT
Looks like we missed the boat in calling the major league all-star game. Those heavy hitting Nationals did it again with home runs. Well, there's always a next time.

Tuesday was the day for upsets in sports with the major league game and the Robinson-Turpin brawl in England. Who'd have thought that the middleweight crown would have floated away from Robinson so soon. Personally we don't think anyone did. The thing that blows us up is the writers who are now jumping all over Robinson in their columns for being more of a playboy than a fighter. Just a few days ago these same writers and announcers were praising Robinson and calling him

the greatest boxer pound for pound in the history of the sport. That probably is the main fault of the sportsmen in this country. When a man is winning, there's nothing in the world wrong with him. He's the best. But just let him lose to a better man and these would-be authorities know all the answers and knew it all the time, they say.

SWAN SONG

With that bit of steam let off, we take our leave from your sports page. Seems like we were just introduced and beginning to know the community, and now we have to move on. That's the newspaper racket, though.

We've enjoyed our stay here very much and wish that it were longer. Thanks to everyone who has helped us.

SECOND ROUND IN 'B' LEAGUE GETS UNDER WAY

Second half play in the Class B league gets underway Monday evening with the Junior Oddfellows meeting the Junior Chamber of Commerce in the first game and Independents meeting Calado in the second contest.

A new entrant, Davenport Electric from Los Gatos, will compete in the Class B league during the second half of play. The addition will bring the total number to eight teams and enable a full schedule of games each week.

Davenport played many of the league teams during practice and should be top contenders for the second half crown with their record.

According to unofficial figures, VFW and Calado wound up the first half in a tie for the league lead with five wins and one loss apiece. Following in second place was Campbell Hardware with four wins and two losses.

SERVICE NOTES

CHARLES R. LAMB

Charles R. Lamb, boilerman, third class, USN, son of Mr. and Mrs. Elmer Lamb of Route 1, Box 153-F, Campbell, and husband of Mrs. Ethel Mae Lamb of Anderson, Missouri, is serving aboard the newly recommissioned destroyer, USS Miller.

Lamb entered the Naval service in April, 1951.

Significantly, the ship was reactivated and commissioned at the Naval Station, Long Beach, on Armed Forces Day. After a post-activation overhaul, the Miller will become part of the Destroyer Force U. S. Atlantic Fleet.

SGT. JAMES CRUMM GETS BRONZE STAR

Sgt. James R. Crumm, 746 Fewtrell Drive, Campbell, has been awarded the Bronze Star Medal with "V" device for heroic achievement in Korea.

Infantry Regiment of the Second Division is a member of the 9th Division. He distinguished himself in the fighting near Pongsan-myon in May.

The citation read in part: "Sergeant Crumm was attached as an 81mm mortar forward observer to a rifle company. When the enemy began to pour deadly fire into the company, he immediately adjusted accurate mortar fire into the attacking forces. Several enemy placements were knocked out and the company was able to storm the hill and secure the objective."

"In the following counter attack, the numerically superior enemy forced the company to withdraw to a better position. Sergeant Crumm's accurate covering fire was instrumental in slowing down the enemy attack and aided in keeping the casualties at a minimum."

DUANE MALONE

Duane Malone, aviation structural mechanic, third class, USN, son of Mr. and Mrs. Clinton Malone of 138 E. Kennedy Avenue, Campbell, is home on 58-day leave following 26 months of duty with Air Transport Squadron 8 at Hickam Air Force Base, Honolulu, T. H. The Campbell high school graduate, class of '48, will report to Treasure Island on August 24 for reassignment.

Squadron 8 gained world-wide recognition for the part it played in the Berlin Airlift, and has been awarded the flying safety trophy, Pacific Division of the Military Air Transport Service, for the third consecutive time.

Trophy is awarded to the squadron which flies the most accident-free hours in a three-month period. Squadron 8 was commended by Rear Admiral John M. Hoskins, USN, for evacuation of 20,000 combat casualties, 6,000 evacuation patients, 86,000 personnel transported to the Far East, and 28,000 tons of cargo flown during the same period.

PFC. RAY L. PHARRIS, JR.

Pfc. Ray L. Pharris Jr., son of Mr. and Mrs. R. L. Pharris of Reedley, who enlisted in the U.S. Air Force last December, had his first furlough during the latter part of June. After receiving his basic training in Wichita Falls, Texas, he was stationed at Sampson AFB, Geneva, New York. He flew in by American Airlines June 14 and left July 3 for Lowry AFB, Denver, Colorado, where he will take a six-weeks' course in career guidance at technical school. After visiting friends in Campbell, Pharris spent a week in Reedley visiting his parents and relatives. His new address is Pfc. Ray L. Pharris, AF28-48107, 32-32 St. Sq. 3415 Tech Tny. Wg., Lowry AFB, Denver, Colorado.

Home from three months touring Europe is MRS. LOWELL BENSON, and she is definite in her statement that it's good to be back; this the country in which to live. She and her mother, MRS.

HILDA MUNSON of Fresno, spent most of their holiday in Sweden visiting relatives in Naffajo, Stockholm and Gotaberg. Mrs. Benson was complimented by a Swedish cousin who commented that her command of the Swedish language was even better than Mrs. Benson's father's. Mrs. Munson is a native of Sweden, and hadn't been home for 45 years. Mrs. Benson learned to speak Swedish in the family home, and was able to understand and speak it during the trip.

As for her impressions—she was surprised at the amount of child labor used in the Swedish industrial plants. In Sweden compulsory schooling ends after the seventh grade, and many children 13, 14 years old and over are employed in the factories. Apparently, said Mrs. Benson, there is a shortage of adult manpower, but the child labor does seem unfair.

The travelers saw springtime three times this year, when they left New York, again in Paris, and later they followed it north to Sweden on their return from Paris. Asked if the Scandinavian countries are extremely modern in buildings, sanitation and other factors, Mrs. Benson replied that the Scandinavian countries still had a lot to learn. Denmark seems so very modern, with its handsome brick buildings, and "It's a very lovely country." The two went first to Sweden, then took the trip to Paris, traveling to Denmark, across Denmark by bus, then ferry to Germany, and bus travel through Germany, Belgium and France to Paris. In Kiel, Germany, they saw much evidence of wartime bombing destruction, but reconstruction progress was evident in the new brick buildings.

Two of the bus drivers were German, and in France they loaded up with coffee to take back to their homes in Germany where coffee is hard to come by. "I have never seen so many trucks as I did in Germany," reported Mrs. Benson. "Trucks were going and coming day and night. All of them were covered and when we asked what was in them, the men didn't give us a very definite answer, just that they were 'hauling supplies.'" Bel-

gium, although obviously still in a state of political unrest, is another beautiful country. The flowers were in bloom and the tulips were huge and gorgeous.

As for Paris, the impressions were varied. She visited famed museums and other interesting places, enjoyed a taste of Paris night life, and, while "Paris is a town you never forget," she would not want to live there. "It's interesting, and the types of people you meet, all types—You see people whose hair is dyed half red and half black, or half blue, or green. Not just a few, but lots of them, the strangest looking people."

CORPORAL AND MRS. WILLIAM D. JUSTICE are living in San Diego following their recent wedding in Pentecostal church, where the Rev. Irwin Roe officiated. The bridegroom is the son of Mr. and Mrs. James A. Justice of Campbell. Attendants were Donna Shaddox, maid of honor; Beverly Justice and Betty Grattian, bridesmaids; Marianna Smith, flower girl; Bill Donovan, best man, and Vernon Hodge and Robert Hicks, ushers. Ring bearer was Willard Justice. Mr. and Mrs. Ted Smith of Los Gatos are parents of the bride. The couple honeymooned at Mount Hermon. Corporal Justice is stationed at the San Diego Marine Base.

Cupertino Youths, Los Gatos Boys In Tourney Go

Cupertino Youth Center and the Los Gatos Kiwanis club battled for the Junior tournament league trophy last night.

Cupertino was favored in this battle because of an earlier 7-3 win over the boys from Los Gatos.

The two teams worked their way into the finals by downing the other two entrants, Campbell Grammar school and Campbell Hardware. Cupertino took the Grammar school in stride behind the shutout pitching of Lefty Martinez.

Los Gatos pulled a mild upset by downing Campbell Hardware 3-2 behind the six-hit pitching of Little Jim Boggs. Shortstop Deen Green was the hero for the Los Gatos boys in the semi-finals when he blasted a home run in the fifth.

More than 10,000 newsboys from all parts of the state will be honored Admission Day at the California State Fair, August 30 thru September 9.

frame which proved to be the margin of victory.

Cupertino wound up first half activity with a four won-no loss record with much of the credit going to their pitcher Martinez. The portside has a fast ball which would be a credit to a much older fellow. The hitting of the Cupertino batsman has been giving Martinez a lot of support and confidence.

The Los Gatos squad has been steadily improving and got into the playoffs last week when they defeated Cambrian Market to take fourth place.

Campbell Hardware and Campbell Grammar school were scheduled to meet last night for a third place playoff.

The second half of the Junior league play will get underway next week.

'Search' Magazine Now Available

Santa Clara County Tuberculosis Association announced last week that the second issue of "Search," published by the California Tuberculosis and Health Association, San Francisco, is available now. Magazine is issued by the 60 local tuberculosis associations throughout California in the interest of public health. It is published by a non-profit corporation and deals with latest information on the field of tuberculosis as well as general health subjects. July issue of the publication highlights admission X-ray program in general hospitals, medical supplement, and tuberculosis research. Other topics discussed are: alcoholism, dental health, suicide, multiphasic surveys, cerebral palsy, legislation and people.

Any person wishing to be placed on "Search" mailing list should contact the Santa Clara County Tuberculosis Association, 211 Balbach, San Jose, phone CYpress 5-3533.

CHEST SURVEYS
Completed last week was the sixth in a series of district chest X-ray surveys conducted by the San Jose Health Department in cooperation with the Santa Clara County Tuberculosis Association. Survey carried on in the Lowell School district was sponsored by the Lowell PTA. More than 1900 persons in the district over the age of 15 years received chest X-rays in an effort to find hidden and previously undiagnosed disease. This free health service is available through the sale of Christmas Seals to all communities and districts in Santa Clara County as well as groups of any size. Letters requesting this service should be addressed to the Santa Clara County Tuberculosis Association, 211 Balbach, San Jose.

Why we retired our old refrigerator... and got a new one

"Families outgrow refrigerators!" Husband says wisely. And he's right. All too often a loyal but ancient model costs more to operate daily than a big, modern model with every convenience. "I'll buy a new refrigerator," agrees Husband, "if I can have the Old Timer for the rumpus room!"

"Look at the difference!" This modern 10-cubic-footer uses no more kitchen space than the Old Timer. Its shelves raise, lower, come out to make room for big items like watermelon. There's also ample room for milk and thrift-size soft drinks. Pop-up ice trays release 2 cubes or a trayful.

"Now we know." The average home in this area can operate a fine new refrigerator for about 24¢ a day. Even a refrigerator with its own freezing compartment, or a separate food freezer with 200-pound storage capacity, operates for only 3¢ a day. All these modern appliances save food, time, money. All use P. G. and E. bargain rates. See your dealer's new models now. The sooner the better.

Barbecue Dinner On Agenda Of Next BPW Gathering

A barbecue dinner will highlight next meeting of the Campbell Business and Professional Women's Club on Wednesday, July 25, at 7 p.m. at the home of Hannah Berglund. Alice Schmidt will be the co-hostess. Ellen Lanphear and Mrs. Berglund are on the committee for the evening. Each member is asked to provide her own table service.

Three new members were welcomed at the club meeting Wednesday night. Blanche Gilpatrick was in charge of the program, and Irene Hodges read the welcome and explained the meaning of the BPW emblem to neophytes Frances Allen, Viola Krug and Esther Burnett.

Marilyn Hill urged members to register and vote for the West Valley Hospital special bond issue election September 18.

Nancy Sharpe was a guest.

Delegates to the small business clinic to be held in San Jose this September will meet at the home of Jo Wagner on Tuesday, July 17.

Incorporation of Campbell will be discussed at the first BPW club meeting in August.

SUMMER MUSIC CLASS ATTENDS FILM SHOWING

Sixty-five students who are enrolled in the annual summer music program at Campbell Elementary School, attended a special showing of the film, "Of Men and Music," Thursday at 10:30 a.m. in the Saratoga Theater. Richard Gordon, summer music school director, arranged the film showing.

Pupils were accompanied by parents Mrs. Esther Fore, Mrs. William Gould, and Mrs. James Barnett, and Gordon. Bus transportation was provided by the school district.

The summer music program now has an enrollment of 75 pupils, Gordon announced today. Instructors are George Currin, woodwinds; Orrin Blattner, brasses; Mary Gordon, cello and string bass, and Art Straight, oboe. Gordon teaches violin.

H. K. Christmas Guest Speaker At Local Church

H. K. Christmas, of the Pacific Press Publishing Association of Mountain View, took time out recently from his program of travel in the interests of the Signs of the Times magazine, of which he is the circulation manager, to visit the Campbell Seventh-day Adventist Church at Fourth Street and Rincon Avenue. He spoke on the subject of the conflict between good and evil.

Elder Christmas stressed the ultimate victory of right over wrong, assuring his hearers that, "Above the distractions of the earth God sits enthroned; all things are open to His divine survey; and from His great and calm eternity He orders that which His providence sees best."

Color, Sound Film To Be Shown At Adventist Church

Mrs. Irene Powers, leader of the Young Peoples Missionary Volunteers, of the Campbell Seventh-day Adventist Church, announces a special sound color film entitled "The March of Time," will be presented by John George of Stanford University, on the evening of July 13, at the church located at Fourth and Rincon in Campbell.

Friends and others interested in seeing a timely film are cordially invited to attend.

Complains About Creek Bed Shots

Mrs. Lewis J. Sayer, 912 White Oaks Ave., stated this week that she was narrowly missed by a rifle shot fired from the Los Gatos Creek bed at approximately 4:30 p.m. Tuesday afternoon. Mrs. Sayer, who resides across from the creek bed, stated that she was watering her roses Tuesday afternoon when a bullet flew over her shoulder. Mrs. Sayer reported that she saw two men in the vicinity.

J. W. Pine, investigator in the district attorney's office, requested that any cases of shooting be reported to him or to the sheriff's office immediately.

Campbell VFW Commended At Santa Cruz Event

Members of the Lt. Byron C. Lanphear V.F.W. Post 6305 and the Woman's Auxiliary were commended by the Dept. of California V.F.W. for excellent representation at the Dept. of California Encampment at Santa Cruz, June 23-27. A spokesman for the group stated that, on a membership percentage basis, the post was well represented at all business sessions and social activities attendant to the encampment.

A report of the encampment activities was made to the local post and auxiliary at the last meeting, July 2. The importance of increased membership was stressed at the meeting, as was the ability to resist economy moves against the veteran legislation.

Highlight of the encampment at Santa Cruz was the visit of the National Commander C. E. Ralls.

The group went on record as opposing the World Federalist movement. They also reaffirmed the veterans' stand against Communism and opposed many of the clauses of the Hoover Report. A resolution proposing a California bonus for World War II vets was voted down.

Included in the delegates to the Santa Cruz Encampment were Marie Gagliasso of Virgil Picchetti Post in Cupertino; Alyce Renner, past 12th district president; Frances McCurdy, president of Lt. Byron C. Lanphear Auxiliary, Campbell; Alfred L. Lord, past commander, Lt. Byron C. Lanphear post; Mrs. Ona Chubb, past president, Lt. Byron C. Lanphear Post Auxiliary; Leslie Kerr, post chaplain; Ralph E. Kallam, post quartermaster; C. A. Chubb, post commander.

Excessive Local Government Tax Spending Hit

Property tax dollar in Santa Clara county for 1950-51 was divided 42 cents for school districts, 36 cents for general county purposes, 16 cents for the cities, and 6 cents for special districts, California Taxpayers' association reported today. Total levy for 1950-51 was \$19,886,882.

Ten years ago, in 1941-42, the property tax dollar in the county was divided 40 cents for school districts, 38 cents for general purposes, 17 cents for the cities, and 5 cents for special districts. Total property tax levy in 1941-42 in the county was \$6,445,346.

Statewide the \$798,241,231 property tax bill in California for 1950-51 was divided 39 per cent for school districts, 38 per cent for general county purposes, 16 percent for cities, and 7 percent for special districts.

For 1941-42, the statewide \$321,734,456 property tax bill was divided 33 per cent for school districts, 39 per cent for general county purposes, 21 percent for cities, and 7 percent for special districts.

"The size of the 1951-52 property tax bill is being fixed by the actions of local governing boards—on school district, county, city and special district budgets being made up right now," the taxpayers' association declared, pointing out that "Now's the time to 'cry Havoc' and 'let slip the dogs of war' against excessive local government budgets—instead of 'crying' over the size of the tax bill presented to property owners next November."

Members of the Lt. Byron C. Lanphear V.F.W. Post are shown on the completion of the parade at the Santa Cruz encampment, June 23-27. Left to right: Marie Gagliasso, Virgil Picchetti Post, Cupertino; Alyce Renner, Past 12th District President; Frances McCurdy, President Lt. Byron C. Lanphear Auxiliary; Alfred L. (Bud) Lord, Past Commander Lt. Byron C. Lanphear Post, Campbell; Mrs. Ona Chubb, Past President, Lt. Byron C. Lanphear Auxiliary, Campbell, and Leslie Kerr, Post Chaplain, Lt. Byron C. Lanphear Post, Campbell.
